

Ronalei Mickle

Dear Ronalei,
Watching you grow up from a crawling sweet baby into a beautiful young lady has been a blessing every single day. You have never ceased to amaze us with your determination and amazing work ethic. Although you have had many obstacles to overcome, you have always met them head-on and become stronger in the process. We know that you can accomplish whatever you set out to do. We love you with all our hearts and hope that you know that this is just the beginning of the amazing adventure that lies ahead of you.

Love, Mommy, Daddy, Kaitlyn, Megan, Christy & Daniel
