Princess Shelby,

We knew from the beginning that you were special. Not only are you beautiful, intelligent and vivacious, but your kindness and sensitivity has touched all that have known you.

Although we will miss you dearly when you leave for college, we are confident that you know that you will always be able to turn to your family whenever you need a shoulder to cry on or someone to share joy with. We love you with all our hearts.

Mom, Ron,  
Tyler and Megan
